Letter of Appreciation

Dear Prof. Kuo,

On behalf of Hong Kong General Chamber of Social Enterprises Limited (HKGSE), I just want to say a big thank you for the hard work and perseverance of Project Flame in working out the SEE Mark. Thank you also for your attendance and support in the event “**the 1st SEE Mark Presentation Ceremony cum SEE: Capacity Building Workshop**” which was held on last Thursday, 27th Nov 2014. We are happy to have you to be our working partner and your presence is valuable to us.

We are happy to share with you that the event was held successfully. More than 180 participants including the SE practitioners, SE leaders, social entrepreneurs, academics and media attended the event and witnessed the first batch of SEs awarded with the SEE Mark and the SEE Certificates. Furthermore, there has been very positive media coverage. Enclosed please find the photos for your kind retention. With your great support to the SEE Mark, we will endeavor to make further advancement of SEE Mark and bring greater impact to the society.

We look forward to joining hands with you for the betterment of the community. We hope we will count on your valuable support in our next events.

Best regards,

Alice Yuk, Tak Fun, JP
